The winning entries of the 2014-15 Stony Brook Science Playwriting Competition were [presented](#) in a staged reading at the Simons for Geometry and Physics Center on November 18, 2015. This increasingly popular series will continue into its fourth year, with a call for plays at <http://scgp.stonybrook.edu/scienceplays>

. This program is led by Prof. Christopher P. Herzog of the YITP, and is supported by the Institute, by the Simons Center and the Department of Theater Arts, Stony Brook University.
